## **MARRIAGE: A NATURAL REALITY; A SACRAMENT OF LOVE**

The Cana Movement cordially invites the general public to a talk which will be held on Wednesday 2<sup>nd</sup> March, 2011, at Sala Mons Gonzi, Catholic Institute, Floriana at 7pm. The guest speaker will be Dr Anthony Rutter Giappone, who will trace the movement of human love in the person – a love which reaches its realization in marriage. He will explain how this natural institution becomes for Christians a sacrament of love and a source of grace and power in the celebration of one's marriage.

This session is another in the series **Zwieg B'Sahhtu**, a project initiated by Cana Movement, in an effort to promote healthy marriage and family life.
